April 13, 2010  
Board of Directors Meeting

Beverly Fraser, Michele Armet, Kathy Crater and Don Crater were present.

New Business- None

Maintenance- The swale waterproofing bid amount is in question. The waterproofer increased his bid by \$600, so Don is verifying the total price of the bid and the height of the waterproofing on the wall prior to going ahead with the repairs at 1013 Inspiration.

Finances- Finances are on track. Kathy Crater spoke to the Allstate Agent and our insurance rate was adjusted down closer to what we paid previously. The 14% increase was averted.

.The next meeting is May 4, 2010 at 7:00 P.M.

Thank you.

Michele Armet,  
Board Secretary
